**This winter, the Grand Hôtel Soleil d'Or invites you to experience the season in a warm and authentic atmosphere.**

# The Soleil d'Or

## *Experience*

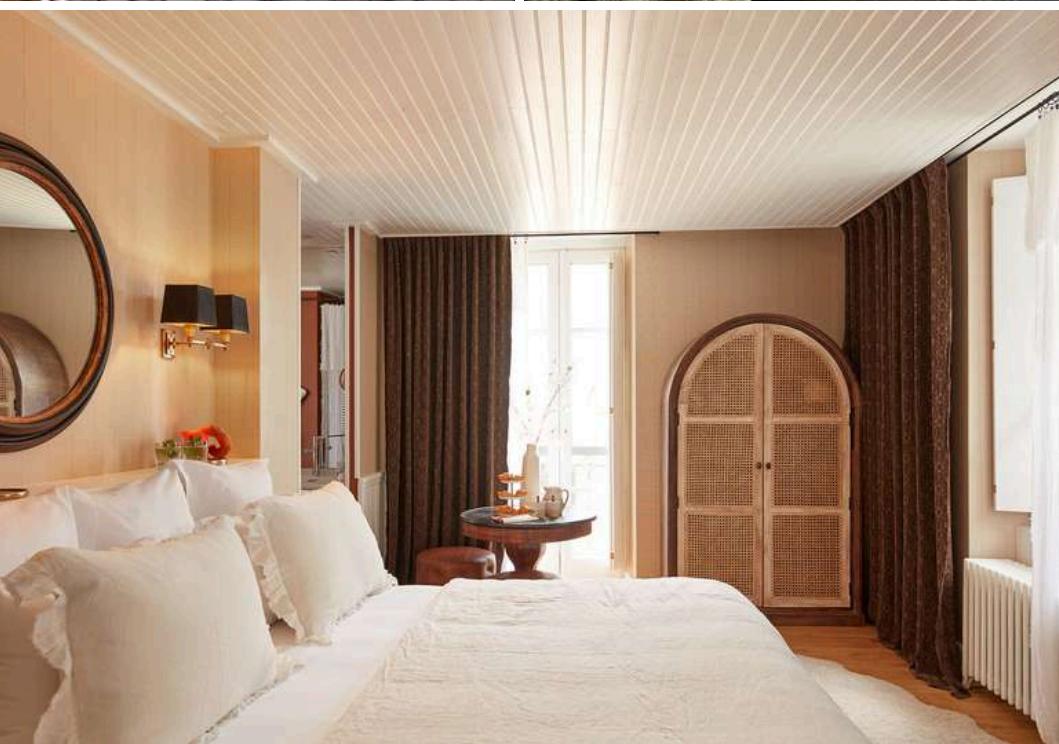

Between wellness, gastronomy, and the mountain spirit, the Grand Hôtel Soleil d'Or invites you to experience Megève differently.

At the Spa, time slows down: relaxing treatments and winter rituals offer a true moment of calm after a day on the slopes.

On the culinary side, La Chocolaterie, La Fromagerie, and the Rooftop set the rhythm of the day, with indulgent treats, local specialties, and shared dinners overlooking the village.

The rooms and suites combine wood, soft lighting, and contemporary touches to recreate the atmosphere of a mountain chalet, with views of the village or the peaks. The private chalets, adjacent to the hotel, extend the experience in a more intimate setting, offering the same attention and services.
